'Tis the season

It's the most wonderful time of the year – but for many of us, it's also the busiest. Decorating for Christmas is more important than ever, but can feel overwhelming and stressful.

We're here to help. As the biggest and top-rated Christmas decorators in Scotland, Fleurtations Plantscapes has been creating magical seasonal displays for over 30 years.

We'll turn your venue or workspace into an impressive and magical winter wonderland. And, since we design, install and remove displays according to your schedule, you'll be free to get on with what you do best.

Our process

All of our designs are completely bespoke, so you can be sure your displays are as uniquely fabulous as you.

Whether you have specific decorations requirements, or just a vague idea of the colours you'd like, our designers will work with you to make your unique vision come to life.
